BILL.

[1874.]

An Act respecting the Boundary between the Provinces of Ontario and Quebec.

WHEREAS, it was by Royal Proclamation, dated the eight- Preamble.
 eenth day of June, in the year one thousand seven
 hundred and ninety-one, declared that the then Province of
 Quebec should be divided into two distinct Provinces to be
 5 called the Province of Upper Canada, and the Province of Lower
 Canada, by separating the said two Provinces according to the
 following Line of Division, viz : " To commence at a stone
 boundary on the North Bank of the Lake St. Francis at the
 cove west of Pointe au Bodet in the limit between the Town-
 10 ship of Lancaster and the Seigneurie of New Longueuil, run-
 ning along the said limit in the direction of north thirty-four
 degrees west to the westernmost angle of the said Seigneurie of
 New Longueuil, thence along the North-Western Boundary of
 the Seigneurie of Vaudreuil, running north twenty-five degrees
 15 east until it strikes the Ottawa River, to ascend the said
 river into the Lake Temiscaming, and from the head of the
 said lake by a line drawn due north until it strikes the Bound-
 ary Line of Hudson's Bay, including all the territory to the
 westward and southward of the said line, to the utmost extent
 20 of the country commonly called or known by the name of
 Canada;" And whereas the point to be regarded as the head
 of Lake Temiscamingue had never been authoritatively deter-
 mined, and in consequence that portion of the boundary line
 between the Provinces of Upper and Lower Canada, now
 25 respectively named the Provinces of Ontario and Quebec, north
 of the said lake, had never been defined; And whereas it was
 considered expedient by the Governments of the said Provinces
 of Ontario and Quebec, that the said undetermined portion of
 the said boundary line between the said Provinces should no
 30 longer continue uncertain, and it was, subject to ratification by
 the Legislatures of the said Provinces, and by the Parliament
 of Canada, agreed between the Governments of the said
 Provinces that the point at the head of Lake Temiscamingue,
 from which the said boundary line shall run due north, should
 35 be determined in the following manner that is to say :

(1.) That a line should be surveyed running due east from
 a monument planted on the east bank of the River Blanche the
 position of which monument is upon a map showing the pro-
 posed boundary, a duplicate whereof, signed by the Honourable
 40 Richard William Scott, formerly Commissioner of Crown Lands
 of the Province of Ontario, and the Honourable Pierre Fortin,
 formerly Commissioner of Crown Lands of the Province of
 Quebec, is filed in the Department of Crown Lands of the Pro-
 vince of Ontario shown and marked with the letter H, and that
 45 the said due east line should be continued to the west bank of
 the River Quinze.

(2.) That the said line so surveyed should be divided into two equal parts and that at the point of bisection a permanent monument should be planted ;

(3.) That from the said point of bisection a line should be run 5
due south through the main land and through the island marked
upon the said map as Island No. 2, until the said line intersects
the southern boundary of the said island at the water's edge,
and that the said point of intersection of the said line with the
southerly boundary of the said island No. 2, at the water's edge, 10
should be the point at the head of Lake Temiscamingue from
which the boundary line between the said Provinces of Ontario
and Quebec should be run due north ; And whereas the
Governments of the said Provinces of Ontario and Quebec
have caused the said lines to be surveyed, and the said point 15
determined upon the ground, and have also caused to be com-
pleted a survey from a point on the middle of the Ottawa River,
opposite the mouth of the Mattawan River, up the waters of the
Ottawa River, into Lake Temiscamingue, and through the said
Lake to the said point determined in manner aforesaid at the 20
head of Lake Temiscamingue, and thence due north as far as it
is deemed necessary to survey at the present time the said line
northerly ; and whereas it is intended that the survey so made
shall be marked and laid down upon a map made in duplicate
to be signed by the Commissioner of Crown Lands for the 25
Province of Ontario, and the Commissioner of Crown Lands for
the Province of Quebec. And whereas by chapter 28 of the
Acts of the Parliament of the United Kingdom of Great Britain
and Ireland, passed in the session held in the thirty-fourth
and thirty-fifth years of Her Majesty's reign, and entitled 30
"An Act respecting the establishment of Provinces in the
Dominion of Canada," it is enacted "that the Parliament of
Canada may, from time to time, with the consent of the Legis-
lature of any Province of the said Dominion, increase, diminish,
or otherwise alter the limits of such Province, upon such terms 35
and conditions as may be agreed to by the said Legislature, and
may, with the like consent, make provision respecting the
effect and operation of any such increase or diminution, or altera-
tion of territory in relation to any Province affected thereby ;"
And whereas it is expedient that the said line so surveyed 40
and laid down should be established as the boundary line be-
tween this Province and the Province of Quebec :

Therefore Her Majesty, by and with the advice and consent
of the Legislative Assembly of the Province of Ontario, enacts
as follows :—

45

Parliament of
the Dominion
of Canada, to
establish the
line between
Ontario and
Quebec.

1. In case the Legislature of the Province of Quebec also
consent thereto, the Legislature of the Province of Ontario
hereby consent that the Parliament of the Dominion of Canada
do declare and establish the line surveyed, as aforesaid, and
to be marked, and laid down in manner aforesaid, and the 50
continuation of the said line due north to the northerly limit
of the said Provinces, as the boundary line between this Pro-
vince and the Province of Quebec, whether the same increases,
diminishes or otherwise alters the limits of this Province.

An Act to provide for taking Votes by Ballot at Municipal Elections in the Province of Ontario.

Mr. CLARKE, (Wellington.)

TORONTO :

PRINTED BY HUNTER, ROSE & Co.

An Act respecting Allowances for Roads on the blank
(or alternate) Concession Lines in the Townships of
Westmeath and Ross, in the County of Renfrew.

WHEREAS the Corporations of the Townships of West- Preamble.
meath and Ross, in the County of Renfrew, have by
their joint petition represented that the said townships adjoin
each other, and were both originally surveyed by the same land
5 surveyor, the surveys commencing in or about the year 1831;
that the said townships were surveyed into lots containing two
hundred acres each; that in the said original surveys of said
townships only every alternate concession line was run on the
ground, with cross or proving lines between every fifth lot; that
10 the said corporations always understood and believed that an
allowance for road of one chain in width was made for the line,
between the alternate concessions so run on the ground in the
said original surveys; that in all surveys made in said townships
since they were first surveyed, sufficient land has been found
15 between the lines actually run on the ground to allow two hun-
dred acres for the lots in each concession, and one chain for
road between the said concessions; that many lots in each of the
said townships have been patented in half lots of one hundred
acres each, and so as to front on what are called the blank lines
20 between the said concessions; that acting in good faith and
believing that an allowance for road on said blank lines of one
chain in width was so made in the said original surveys, they
caused to be opened up many parts and portions of said
blank lines in each of said townships, and have made the same
25 into public highways, and expended large sums of money
thereon; that lately the existence of such an allowance for road
on said blank (or alternate) concession lines has been questioned
and an action to try the right was brought against the corpora-
tion of the said Township of Ross, who had opened a portion of
30 one said blank lines, and determined against them; that the said
corporation of the Township of Ross believe they failed in the
said action, through their inability to procure the attendance
as a witness on the trial, of John McNaughton, Esq., P. L. S.,
who surveyed the said townships originally; that it would be of
35 the greatest importance to the inhabitants of said townships,
that the said allowances for roads on said blank (or alternate) con-
cession lines should exist beyond all doubt or question, and that
the said corporations should be freed from all apprehension of
legal proceedings being taken against them for causing the said
40 blank (or alternate) concession lines to be opened up and
improved; that unless the said blank (or alternate) concession
lines be further opened up and improved, many settlers
in said townships will without any public highway or
allowance for road to reach their lands, and such portions

of the said lines as have been opened up may be closed by the owners of the adjoining lands and very great trouble and inconvenience occasioned to the inhabitants of said townships and the councils thereof, and have prayed that an Act might be passed to declare that in the original surveys of said townships, an allowance for road one chain in width was intended to be left, and was left on the ground on all the said blank (or alternate) concession lines; and to declare also the manner in which the said blank (or alternate) concession lines shall be drawn; and it is expedient to grant the prayer of the said petition: 5 10

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Roads in Westmeath and Ross, how originally intended to be laid out.

1. In the original surveys of the Townships of Westmeath and Ross, in the County of Renfrew, an allowance for road of one chain in width was intended to be made and was made for each of the blank (or alternate) concession lines which were not run on the ground in the said original surveys of said Townships. 15

How the blank concession lines to be drawn.

2. The said blank (or alternate) concession lines shall be drawn through the centre of the space contained between the allowances for roads upon the alternate concession lines which were run on the ground in the said original surveys of said townships, and so as to equally divide the said concessions, and the allowance for road of one chain in width on said blank (or alternate) concession line when so drawn shall lie equally on each side of said line. 20 25

BILL.

An Act to vest certain lands in the Village of Trenton, in the Incorporated Synod of the Diocese of Ontario.

WHEREAS the Incorporated Synod of the Diocese of Ontario, and the incumbent and church-wardens of the Church in connection with the United Church of England and Ireland in Canada, in the Village of Trenton, in the County of Hastings, in the Province of Ontario, have represented by their Petition to the Legislature: That on the seventeenth day of February in the year 1834, the Crown granted to certain persons five acres of land, being part of lot number two in the first concession of the Township of Murray in the County of Northumberland, in trust for the use and purpose of an Anglican Church and Parsonage in the said Township, which said lands may be further described as follows: All that parcel or tract of land situate in the said Township of Murray, containing by admeasurement five acres more or less, being the part of lot number two in the first concession of the said Township of Murray, commencing at a distance of nine chains eighty five links on a course north sixteen degrees west from the south-east angle of the said lot, being in the limit between lot numbers one and two on the northerly side of Dundas-street; thence south seventy-four degrees west, ten chains; then north sixteen degrees west, five chains; then north seventy-four degrees east, ten chains more or less to the limit between lots numbers one and two; then south sixteen degrees east, five chains more or less to the place of beginning; that these lands at the date of the said patent from the Crown lay within the territorial area of an unincorporated village then existing at the mouth of the River Trent, and known at that time and for many years afterwards by the various names of "The Trent," "River Trent," and "Port Trent,"; that on or about the year 1852 the said village was incorporated under the name of Trenton, and became detached from said Township of Murray (which is in the Diocese of Toronto), and together with the said five acres became attached to and part of the said County of Hastings (which is in the Diocese of Ontario), and the said lands have therefore since the said patent from the Crown been in the Village of Trenton, either under its old names or under its present one, and in that part of the same called West Trenton; that the said letters patent were applied for and obtained by the then Church of England Missionary at the said village, then called Port Trent, expressly for the use of an Anglican Church and Parsonage in the said village, but inasmuch as the said village in 1834 had no corporate name or legal existence, the said lands were in the said letters patent stated to be for a Church and Parsonage in the said Township of Murray; that in the year 1848 the present incumbent was licensed by the proper

authority in that behalf to "The Trent" and parts adjacent in the Townships of Murray and Sidney, and as the resident clergyman, he took and has ever since retained possession of the said lands, and from 1848 to 1862 did duty in the Township of Murray; that in the year 1862 the Synod of the Diocese of Ontario was incorporated by the Legislature of the then Province of Canada, and embraced within its diocesan limits the County of Hastings, including the said Parish of Trenton, and the Reverend Canon Bleasdel was again licensed by the Bishop of Ontario to Trenton and certain parts adjacent, and has from such time done duty there, and the said church is still largely used by the people residing in the said Township of Murray; that from the year 1848 many and great improvements have been made on the said lands by the said incumbent and his parishioners, a brick parsonage having been built, an orchard planted, and other valuable improvements made; that the said lands having become very valuable it was deemed advisable that a portion thereof should be sold for the benefit of the said Church and parsonage, and the same was laid off into village lots for that purpose; that by the said Act it was provided that certain lands held for the benefit of certain churches, parsonages, and parishes in the said Diocese should be vested in the said Incorporated Synod, and under the belief that the said lands mentioned in said Letters Patent were so vested, the said incumbent and church-wardens petitioned and obtained the consent of the said Synod to sell two acres of the said lands, and in July last past the said two acres were sold in lots to various purchasers at advantageous prices; that doubts have been raised whether the said lands now are or can be legally vested in the said Incorporated Synod under the provisions of the said Act, so as to enable the said Incorporated Synod to hold, sell or convey them, and it is desirable that these doubts should be set at rest, and the title to the said lands be vested in the said Incorporated Synod, so that the said sales heretofore made may be confirmed, and the remainder of the said lands be held by the said Synod for the use and benefit of the said church and parsonage, and of the present incumbent or of any future incumbent thereof; but in the event of that part of the said parish lying in West Trenton being set apart as a separate parish, then for the use and benefit of the church and parsonage in such named parish, and of the present incumbent or of any future incumbent thereof;

And whereas the petitioners have prayed that an Act may be passed to vest the said lands in the said Incorporated Synod, in the manner and for the purposes aforesaid; and whereas it is expedient to grant the prayer of the said petition:

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Certain lands
vested in the
Synod.

1. The said lands and premises hereinbefore described with all their rights and appurtenances are hereby vested in the Incorporated Synod of the Diocese of Ontario, upon trust to hold the same to and for the use and benefit of the Church and Parsonage in connection with the United Church of England and Ireland, now erected and established in the said Village of Trenton, and of the present incumbent or of any future incumbent thereof, or for the use and benefit of either the said Church or the said Parsonage, according to the discretion of the said Synod at any time, or from time to time exercised.

2. The sales made of the said village lots, comprising about two acres of said lands, on the sixteenth day of July last are hereby confirmed, and the said Synod is hereby authorized and required to convey the said lots by deed to the purchasers thereof, upon 5 the latter fulfilling all requirements and conditions on their part to be fulfilled.

Certain sales confirmed.

3. The said Synod is hereby authorized with the consent in writing of the incumbent and church-wardens, for the time being, of the said church at Trenton aforesaid, but not required, to 10 sell, alien, transfer and convey, the remainder of the said lands in such way, and for such sum or sums as may from time to time seem most desirable.

Power to sell lands.

4. The said Synod shall hold the moneys, mortgages and securities arising from the sale of the said village lots, or from 15 any future sale of any part of the said lands, and the remainder of the said lands, and any moneys arising therefrom in any way, in trust, and for the use and benefit of the said Church and Parsonage at Trenton aforesaid, and of the present incumbent or of any future incumbent thereof, or either for the said 20 Church or said Parsonage in the discretion of said Synod, until such time as that part of the Village of Trenton called West Trenton shall be set apart by the proper authority in that behalf as, and be formed into a separate parish, of the Church of England, either by itself or in connection with any ad- 25 jacent locality.

Trusts upon which the proceeds of sale of lands are to be held.

5. Upon the happening of such event, all moneys, mortgages and securities arising from any sale of the said parcel of land or any part thereof which has already or may hereafter be made, and all such remaining portion of the said parcel of land as may 30 at such time remain unsold shall be held by said Synod for the use of the Church and Parsonage which may at such time be, or be about to be, erected, built or established as and for a Church and Parsonage in connection with the united Church of England and Ireland, in that part of the Village of Trenton called West 35 Trenton, or either for the benefit of the said Church or the said Parsonage, in the discretion of the said Synod, whether the parish so to be established shall consist solely of West Trenton, or of West Trenton in connection with any adjacent locality, and the said Synod shall have the same power as to the sale and disposal of 40 any lands so held in trust for such new parish, (but by the consent in writing of the incumbent and church-wardens of the same) as is given to the said Synod by section three of this Act.

Application of the moneys when West Trenton is formed into a separate parish.

6. No person or persons, body or bodies corporate, who have 45 purchased or shall purchase the said lands, or any part thereof, shall be in any way bound to see to the application, or be answerable for the non-application of the said purchase money or any part thereof.

Purchasers need not see to the application of the purchase money.

7. This Act shall be binding upon Her Majesty, her heirs and 50 successors, and upon the persons named as trustees in said Letters Patent, and all persons claiming any benefit whatever thereunder, including the Incorporated Synod of the Diocese of Toronto.

Act to bind Her Majesty and others.

An Act to vest certain lands in the Village of Trenton,
in the Incorporated Synod of the Diocese of Ontario.

WHEREAS the Incorporated Synod of the Diocese of Preamble.
Ontario, and the incumbent and church-wardens of the
Church in connection with the United Church of England and
Ireland in Canada, in the Village of Trenton, in the County of
5 Hastings, in the Province of Ontario, have represented by their
Petition to the Legislature: That on the seventeenth day of
February in the year 1834, the Crown granted to certain per-
sons five acres of land, being part of lot number two in the first
concession of the Township of Murray in the County of Nor-
10 thumberland, in trust for the use and purpose of an Anglican
Church and Parsonage in the said Township, which said lands may
be further described as follows: All that parcel or tract of land
situate in the said Township of Murray, containing by ad-
measurement five acres more or less, being the part of lot
15 number two in the first concession of the said Township of
Murray, commencing at a distance of nine chains eighty five
links on a course north sixteen degrees west from the south-
east angle of the said lot, being in the limit between lot num-
bers one and two on the northerly side of Dundas-street; thence
20 south seventy-four degrees west, ten chains; then north sixteen
degrees west, five chains; then north seventy-four degrees east,
ten chains more or less to the limit between lots numbers one
and two; then south sixteen degrees east, five chains more or less
to the place of beginning; that these lands at the date of the
25 said patent from the Crown lay within the territorial area of
an unincorporated village then existing at the mouth of the
River Trent, and known at that time and for many years after-
wards by the various names of "The Trent," "River Trent,"
and "Port Trent,"; that on or about the year 1852 the said
30 village was incorporated under the name of Trenton, and be-
came detached from said Township of Murray (which is in the
Diocese of Toronto), and together with the said five acres became
attached to and part of the said County of Hastings (which is
in the Diocese of Ontario), and the said lands have therefore since
35 the said patent from the Crown been in the Village of Trenton,
either under its old names or under its present one, and in that
part of the same called West Trenton: that the said letters
patent were applied for and obtained by the then Church
of England Missionary at the said village, then called Port
40 Trent, expressly for the use of an Anglican Church and
Parsonage in the said village, but inasmuch as the said vil-
lage in 1834 had no corporate name or legal existence, the
said lands were in the said letters patent stated to be for a
Church and Parsonage in the said Township of Murray; that in
45 the year 1848 the present incumbent was licensed by the proper

authority in that behalf to "The Trent" and parts adjacent in the Townships of Murray and Sidney, and as the resident clergyman, he took and has ever since retained possession of the said lands, and from 1848 to 1852 did duty in the Township of Murray; that in the year 1862 the Synod of the Diocese of Ontario was incorporated by the Legislature of the then Province of Canada, and embraced within its diocesan limits the County of Hastings, including the said Parish of Trenton, and the Reverend Canon Bleasdel was again licensed by the Bishop of Ontario to Trenton and certain parts adjacent, and has from such time done duty there, and the said church is still largely used by the people residing in the said Township of Murray; that from the year 1848 many and great improvements have been made on the said lands by the said incumbent and his parishioners, a brick parsonage having been built, an orchard planted, and other valuable improvements made; that the said lands having become very valuable it was deemed advisable that a portion thereof should be sold for the benefit of the said Church and parsonage, and the same was laid off into village lots for that purpose; that by the said Act it was provided that certain lands held for the benefit of certain churches, parsonages, and parishes in the said Diocese should be vested in the said Incorporated Synod, and under the belief that the said lands mentioned in said Letters Patent were so vested, the said incumbent and church-wardens petitioned and obtained the consent of the said Synod to sell two acres of the said lands, and in July last past the said two acres were sold in lots to various purchasers at advantageous prices; that doubts have been raised whether the said lands now are or can be legally vested in the said Incorporated Synod under the provisions of the said Act, so as to enable the said Incorporated Synod to hold, sell or convey them, and it is desirable that these doubts should be set at rest, and the title to the said lands be vested in the said Incorporated Synod, so that the said sales heretofore made may be confirmed, and the remainder of the said lands be held by the said Synod for the use and benefit of the said church and parsonage, and of the present incumbent or of any future incumbent thereof; but in the event of that part of the said parish lying in West Trenton being set apart as a separate parish, then for the use and benefit of the church and parsonage in such named parish, and of the present incumbent or of any future incumbent thereof;

And whereas the petitioners have prayed that an Act may be passed to vest the said lands in the said Incorporated Synod, in the manner and for the purposes aforesaid; and whereas it is expedient to grant the prayer of the said petition:

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Certain lands
vested in the
Synod.

1. The said lands and premises hereinbefore described with all their rights and appurtenances are hereby vested in the Incorporated Synod of the Diocese of Ontario, upon trust to hold the same to and for the use and benefit of the Church and Parsonage in connection with the United Church of England and Ireland, now erected and established in the said Village of Trenton, and of the present incumbent or of any future incumbent thereof, or for the use and benefit of either the said Church or the said Parsonage, according to the discretion of the said Synod at any time, or from time to time exercised.

2. The sales made of the said village lots, comprising about two acres of said lands, on the sixteenth day of July last are hereby confirmed, and the said Synod is hereby authorized and required to convey the said lots by deed to the purchasers thereof, upon the latter fulfilling all requirements and conditions on their part to be fulfilled.

Certain sales confirmed.

3. The said Synod is hereby authorized with the consent in writing of the incumbent and church-wardens, for the time being, of the said church at Trenton aforesaid, but not required, to sell, alien, transfer and convey, the remainder of the said lands in such way, and for such sum or sums as may from time to time seem most desirable.

Power to sell lands.

4. The said Synod shall hold the moneys, mortgages and securities arising from the sale of the said village lots, or from any future sale of any part of the said lands, and the remainder of the said lands, and any moneys arising therefrom in any way, in trust, and for the use and benefit of the said Church and Parsonage at Trenton aforesaid, and of the present incumbent or of any future incumbent thereof, or either for the said Church or said Parsonage in the discretion of said Synod, until such time as that part of the Village of Trenton called West Trenton shall be set apart by the proper authority in that behalf as, and be formed into a separate parish, of the Church of England, either by itself or in connection with any adjacent locality.

Trusts upon which the proceeds of sale of lands are to be held.

5. Upon the happening of such event, all moneys, mortgages and securities arising from any sale of the said parcel of land or any part thereof which has already or may hereafter be made, and all such remaining portion of the said parcel of land as may at such time remain unsold shall be held by said Synod for the use of the Church and Parsonage which may at such time be, or be about to be, erected, built or established as and for a Church and Parsonage in connection with the united Church of England and Ireland, in that part of the Village of Trenton called West Trenton, or either for the benefit of the said Church or the said Parsonage, in the discretion of the said Synod, whether the parish so to be established shall consist solely of West Trenton, or of West Trenton in connection with any adjacent locality, and the said Synod shall have the same power as to the sale and disposal of any lands so held in trust for such new parish, (but by the consent in writing of the incumbent and church-wardens of the same) as is given to the said Synod by section three of this Act.

Application of the moneys when West Trenton is formed into a separate parish.

6. No person or persons, body or bodies corporate, who have purchased or shall purchase the said lands, or any part thereof, shall be in any way bound to see to the application, or be answerable for the non-application of the said purchase money or any part thereof.

Purchasers need not see to the application of the purchase money.

7. This Act shall be binding upon Her Majesty, her heirs and successors, and upon the persons named as trustees in said Letters Patent, and all persons claiming any benefit whatever thereunder, including the Incorporated Synod of the Diocese of Toronto.

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows :

10

1. The said Company may receive from any Government, or from any person or bodies corporate, municipal or politic, who may have power to make or grant the same, aid towards the construction, equipment or maintenance of the said canal, by way of bonus, gift, or loan of money, or debentures, or other securities for money, or by way of guarantee, upon such terms and conditions as may be agreed upon.

15

2. Any municipal corporation in the Province of Ontario, or any portion of a municipality, may aid the said Company by giving money or debentures by way of bonus, gift or loan, or by the guarantee of the municipal corporation : Provided always, that no such aid shall be given except after the passing of a by-law for the purpose, and the adoption of such by-law by the qualified ratepayers of the municipality, or portion of a municipality (as the case may be), as provided in the Municipal Act for the creation of debts.

20

25

3. Such by-law shall be submitted by the municipal council to the vote of the ratepayers in manner following, namely :

TORONTO:

PRINTED BY HUNTER, ROSE & CO.

An Act to further amend the Laws affecting Elections of Members of the Legislative Assembly, and the Trial of such Elections.

HER Majesty, by and with the advice and consent of the Preamble.
 Legislative Assembly of the Province of Ontario, enacts
 as follows :

1. In case a petition is presented against the return of any
 5 member, the respondent or any other person now authorized
 by law to present an election petition, may, within fifteen days
 after the service of the petition against the return, file a petition
 complaining of any unlawful and corrupt act by any candidate
 at the same election who was not returned, and who is not a
 10 petitioner, and in whose behalf the seat is not claimed.

After petition
 against return,
 any one autho-
 rized to peti-
 tion may peti-
 tion for cor-
 rupt acts by
 candidate not
 returned, nor
 a petitioner
 nor a claimant.

2. Whereas in consequence of the pressure of other business
 in the Court of Queen's Bench, it is desirable to relieve that
 Court of the duties assigned to it by the Controverted Elections
 Act 1871, and the Election Act of 1873, the duties and powers
 15 assigned by the said Acts, to the said Court of Queen's Bench,
 and to the Clerk of the Crown and Pleas in the said court, shall,
 with respect to future elections, belong to the Court of Error and
 Appeal, and to the clerk thereof for the time being; and the prac-
 tice and proceedings, including the mode of enforcing decisions
 20 as to costs and otherwise, shall in all respects be the same as now
 provided or in force for the said Court of Queen's Bench, and the
 said Clerk of the Crown and Pleas, until and unless such practice
 and proceedings are altered by the Court of Error and Appeal,
 or a majority of its judges, of whom the Chief Justice is to be
 25 one. This section is not to be construed as relieving the judges
 of the Court of Queen's Bench from being appointed or acting
 as judges on the rota.

Duties of
 Courts and
 Clerk of Q. B.
 transferred to
 Court and
 Clerk of Error
 and Appeal.

Practice as
 heretofore
 till varied.

3. In case any party to an election petition under the Con-
 troverted Elections Act of 1871, or under the Election Act of
 30 1873, or under this Act, is dissatisfied with the decision of a
 judge under the said Acts, or any or either of them, on any
 question of law or of fact, and desires to appeal against the
 same, he may, within eight days from the day on which the
 judge has given the decision, deposit with the Clerk of the
 35 Court or Error and Appeal the sum of one hundred dollars
 by way of security for costs; and thereupon the clerk shall
 set the matter of the said petition down for hearing before the
 said court of Error and Appeal at an early day to be appointed
 by the said Court of Error and Appeal, or a judge thereof; and

judge thereof may upon application allow, give to the other parties affected by the said appeal, or their respective attorneys or agents by whom such parties were represented in the trial of the said petition, notice in writing that the matter of the said petition has been so set down to be heard in appeal as aforesaid; and in and by the same notice the said party so appealing as aforesaid may, if he desires, limit the subject of the said appeal to any special and defined question or questions; and the said appeal shall thereupon be heard and determined by the said Court of Error and Appeal; and such judgment shall be pronounced, both upon questions of law and of fact, as in the opinion of the said court of Error and Appeal should have been delivered by the judge whose decision is appealed against; and the Court of Error and Appeal may make such order as to the return of the said deposit and as to the costs of the said appeal as the said Court may think just; and the clerk of the said Court of Error and Appeal shall thereupon certify to the Speaker the judgment and decision of the said Court upon the several questions and matters of fact, as well as of law, upon which the judge whose decision is appealed against might otherwise have determined or certified in pursuance of any or either of the said Acts, in the same manner as the judge whose decision is appealed against would otherwise have done; and the said judgment or decision shall be final to all intents and purposes.

4. Before any member elect of the Legislative Assembly is permitted to take the oath as a member, he shall file with the Clerk of the House an affidavit duly sworn before such Clerk, that (except in respect of his personal expenses) he has not made before, or during, or after the election, and will not make, any payment, advance, loan, or deposit for the purposes of the election, otherwise than through his agent or agents duly appointed by him under "The Election Act of 1873;" and such affidavit shall state the name, or names, of the agent, or agents, theretofore appointed; and may be in the following form or to the like effect:—

Sworn before me, this _____ day of _____ A.D. 18 _____

Clerk of the Legislative Assembly of the Province of Ontario.

Assessment and Roll for 1874, voters' lists and rates, &c., declared valid.

5. Every Assessment and Assessment Roll of the several municipalities of Ontario for the year one thousand eight hundred and seventy-four, and the rates levied thereunder, every

voters list prepared from such rolls, and all proceedings had in respect of the said matters, or any or either of them, shall be adjudged valid for all purposes, notwithstanding that the provisions of "the Assessment Act of 1869," or any of them were observed, instead of those of the Act entitled "An Act to amend the Assessment law" (1874), and notwithstanding the failure to observe and carry out the provisions of the last said mentioned Act or any of them.

(1.) Provided always, that any person who lodged an appeal either to a Court of Revision or to the County Judge complaining that the assessment of such person was too high, or that he was improperly assessed, and whose appeal has in consequence of a mistake in the time of holding such Court of Revision, not been heard and determined on the merits may, in case he has paid the amount of such assessment, upon proof that such assessment is excessive or erroneous, recover back from the municipality the amount of the excess or error, by action in the Division Court within the limits of which the municipality lies wholly or in part, and such Division Court shall have cognizance of the matter and hear and determine the same, notwithstanding the amount claimed may exceed one hundred dollars.

(2.) That no such suit shall be brought till after the expiration of one month after written notice demanding payment of the amount claimed has been served upon the municipality, and every such suit must be commenced within six months after the passing of this Act, and not after.

(3.) That in case of an order being made by the Division Court for repayment by a municipality and payment to the plaintiff in pursuance thereof, the clerk of such municipality shall certify the facts to the clerk of the county municipality, in case a county rate has been levied, and the county shall thereupon refund to the municipality the amount which the plaintiff in the action in the Division Court has shown himself to have been over assessed or improperly assessed for county rate, on the footing of the erroneous assessment.

6. Every voters' list which may be prepared from such Assessment Rolls, and which, before the Returning Officer receives the Writ of Election, is certified by the Judge or Acting Judge of the County Court under the provisions of the seventh or ninth sections of the Act of 1874, entitled, "An Act respecting Voters' Lists," as the revised list, or as the revised and corrected list, of voters for a municipality, shall be deemed valid, and shall be used at the next general election for members to serve in the Legislative Assembly, though such list may not be filed with the Clerk of the Peace for the time by the said Act required, or though there was any irregularity in the previous proceedings.

7. In case a list is certified by a judge for any municipality before the Writ of Election is received by the Returning Officer, but is not filed with the Clerk of the Peace, the Returning Officer shall forthwith cause to be prepared from the original revised list retained by the judge, or from the duplicate in the custody of the Clerk of the Municipality, proper lists of voters for the Deputy Returning Officers. The judge or the clerk upon being requested so to do, shall forthwith deliver to the Returning Officer, or to any person authorized by him in

Proviso as to assessments appealed from.

Voters' lists from rolls of 1874, which before receipt of writ of election are certified by the judge, to be valid though not filed in time with clerk of peace.

The case of voters' list certified by the judge, but not filed with the clerk of the peace provided for.

writing to receive the same, the original or duplicate list in the possession of the judge or clerk, or a certified copy thereof. Any clerk failing to deliver to the Returning Officer or to a person authorized as aforesaid, the duplicate list in the possession of the said clerk, or a certified copy thereof, immediately upon 5 being requested so to do, shall be subject to a penalty of five hundred dollars. In case the Returning Officer receives the original, or a duplicate copy thereof, he shall immediately after he has prepared lists for the Deputy Returning Officer, return the original or duplicate to the person from whom he received 10 the same.

The case of no voters' list being certified by the judge.

8. In case no list of voters has been certified by the Judge or acting Judge under the said Act respecting voters lists, the list to be used at an election to the Legislative Assembly, shall be the last list of voters certified and delivered to the Clerk of the 15 Peace under the Election Law of 1868.

The case of time for appealing from by-law for dividing in polling sub-divisions having expired, and no voters' lists filed &c.

9. In case a municipal council has by by-law divided the municipality into polling sub-divisions, and the time for appealing from the by-law has expired, and no lists of voters for such sub-divisions have been filed with the Clerk of the Peace 20 as required by the Election Law of 1868, but a list of the voters of the municipality or of the several wards therein has been duly certified by the judge, the said list shall be the proper list of voters for the election; and the returning officer shall cause the names on the said voters' list to be divided into 25 separate lists for the deputy returning officers in accordance with the polling sub-divisions provided for by the by-law.

Clerks of the Peace and of municipalities to furnish copies of last revised voters list.

10 The Clerk of the Peace and the Clerk of any municipality, having the custody of the list of voters of any municipality or part of any municipality or place, shall furnish a certified 30 copy of such list then last revised and corrected to any person who shall require such copy on being paid for the same by such person at the rate of six cents for every ten voters whose names are on such list. The said officers may furnish printed copies, and the officer shall verify any alterations made there- 35 in, by writing his initials in close proximity thereto; if the alterations or interlineations exceed ten, it shall be the duty of the said officers to furnish written copies.

Remuneration to returning officer for dividing into polling sub-divisions.

11. In case it is necessary for any returning officer to divide any municipality or any part thereof into polling sub-divisions, 40 he shall be paid by the treasurer of the municipality a reasonable allowance therefor.

Nomination need not be in the open air, nor in cities, towns or villages, need polling places be 100 yards distant.

12. So much of section twenty-three of "The Election Law of 1868," as requires that the nomination shall be held in the open air, and also so much of section twenty-eight of the said 45 Act as requires that polling places in cities, towns, and incorporated villages shall be more than one hundred yards distant from each other, is hereby repealed.

Voters may be required to make oath as voter, and enfranchised Indians may vote.

13. Whereas doubts have been raised whether the provisions of law respecting the revision of voters' list dispense with the 50 obligation of any person offering to vote at any election, to take the oath prescribed by section forty-one of *The Election Law of 1868*, and respecting the right of enfranchised Indians to

vote, it is hereby declared that every such person shall, if required by any candidate, or the agent of any candidate, or by the Deputy Returning Officer himself, take the oath or affirmation prescribed by the said section, as amended by section six of "the Election Act of 1873," or such other similar oath or affirmation as may be required by law; and that every Indian duly enfranchised, and who is otherwise qualified, is entitled to vote, subject to the same provisions and restrictions as other persons in the Electoral Division.

10 **14.** Where any territory is added for municipal purposes to any city, town, or village belonging to, or constituting an electoral division other than that to which such territory previously belonged, or when a town with additional territory is erected into a city, or a village with additional territory is erected
 15 into a town, or in case a village is formed including territory which belonged to an electoral district other than that to which the village belongs, and an election takes place previous to voters' lists, including the names of persons entitled to vote in such territory, being made out for the city, town, or village, or
 20 before such lists are certified by the County Judge, then all persons who would have been qualified as electors if such territory remained separate from the city, town, or village and if the election had been for the electoral division to which such territory formerly belonged, shall be entitled to vote in the city,
 25 town or village.

The case of new territory added to city, town or village, or a new city, town or village erected with added territory, and no voters' lists includg such new territory;

15. In all such cases the returning officer shall extract from the last filed, or certified voters' list of the municipality or municipalities to which such territory formerly belonged containing the names of voters entitled to vote in respect of such
 30 territory, the names of the several voters in such lists entitled to vote in such territory, and shall place such names in supplementary lists to be signed by the Returning Officer, and to be delivered by him to the proper Deputy-Returning Officers, for the purpose of enabling the persons named in such lists to vote
 35 at the said Election. Every person voting in respect of a supplementary voters' list shall, if required, take the oath or affirmation in form "A" to this Act annexed in lieu of the oath in form "O" prescribed by the forty-first section of the Election Law of 1868. Municipal electors, similarly qualified in respect

An Act to abolish the tolls imposed upon the County Roads of the County of Middlesex, by the Municipal Council of that County.

WHEREAS it is expedient from and after the first day of Preamble.
January next, to abolish the tolls imposed by the County Council of the County of Middlesex upon the public roads of the said county, and to provide that the same may be effected in such a manner as to do justice to those municipalities in the said county that have not received a sufficient share of road expenditure from the public funds of the said county; And whereas it is not deemed advisable to increase the debt of the said county for the purpose of equalizing the said expenditure; And whereas it is expedient to place the different municipalities in the said county upon an equal footing, as nearly as may be:

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. The payment of the existing debenture debt of the County of Middlesex, shall be so adjusted and apportioned among the different municipalities of the said county, as nearly as may be, in proportion to the amount that has been expended in the said municipalities for road and bridge improvement, in order that the said municipalities that have not received their just share of road expenditure, may be directly benefited by the decreased amounts they will have to pay in future as compared with the present rate of payment.

2. The County of Middlesex Debenture Debt now amounting to the sum of five hundred and seventeen thousand dollars, (after deducting what the City of London has to pay) shall be apportioned amongst the various municipalities in the said county, in manner following, that is to say:

An Act to amend the Act consolidating the debt of the Town of Peterborough, and to make further and better provisions for the relief of the supporters of the Roman Catholic Separate School in the said Town of Peterborough, in the matter of the Union School Indebtedness of the said Town.

WHEREAS, by the Act of the Parliament of the late Province of Canada passed in the twenty-fourth year of Her Majesty's reign, chaptered forty-one, provision is made for the consolidation of the debt of the Town of Peterborough by vesting the assets of the said town in the commissioners therein named, who were empowered to issue debentures from time to time for the redemption of outstanding liabilities of the said town; And whereas it was also provided by the said recited Act that a sum equal to the sum collected from the supporters of the Roman Catholic Separate School in the said Town of Peterborough for the payment of the interest and sinking fund upon so much of the debentures of the said town as might be outstanding or as might thereafter be issued under the authority of the said Act for the erection of the school building known as the union school should be paid to the trustees of the said separate school on or before the thirty-first day of December in each year; And whereas, in pursuance of the said last recited provision of the said Act, injustice was found to be done to the supporters of the said Roman Catholic Separate School by reason of the said moneys so required to be refunded to them being necessarily in part collected from themselves, and it is desirable that the said Act be so amended as to remove such cause of complaint:

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

of the said union school indebtedness over and above and in addition to all other rates to be levied in such year; and shall also impose a further special rate upon such of the rate payers of the said Town of Peterborough as shall not be supporters of the said Roman Catholic Separate School for the said Town of Peterborough, equal to the amount so required by the commissioners for the payment of the interest and sinking fund of the said union school indebtedness over and above and in addition to all other rates to be levied in such year; and the money so collected shall be paid over by such corporation to the said commissioners on or before the fourteenth day of December in each year; and any treasurer, collector or other municipal officer, or any member of the municipal council wilfully neglecting or refusing to perform or concur in performing any official act requisite for the collection of the said rate, or misapplying or being a party to the misapplication of any portion of the proceeds thereof, shall be held guilty of a misdemeanor; and such treasurer, collector or other municipal officer or member and his sureties, if any, shall moreover be personally liable for any sum which by reason of such neglect, misconduct, refusal or misapplication shall not be paid to the said commissioners at the time required by this Act; Provided further, that no portion of the interest or sinking fund upon the debentures aforesaid shall be paid out of the casual revenues of the said town.

An Act to confirm the appointment of Trustees in connection with the Presbyterian Church of Canada, in the City of London, and to make valid certain sales of property made by the said Trustees.

WHEREAS it appears by the petition of the Reverend John Preamble. Scott, Minister, John Birrell, William Begg, George M. Gunn, Alexander G. McIntosh, John J. McKenzie, Daniel Lester and Alexander Davidson, that by Letters Patent, bearing
 5 date the twelfth day of June, in the year of our Lord one thousand eight hundred and forty-seven, certain lands in the then Town (now City) of London, described as lots numbers six, seven and eight, on the north side of East North Street, and lots numbers six, seven and eight on the south side of Duke Street,
 10 were granted in fee to John Michie, James Grant, John Birrell, John Dimond, William Begg and James McLaren, their heirs and assigns, in trust for the use of the Presbyterian Church in the said Town of London, in connection with the Presbyterian Synod of Canada; and that by said Letters Patent, provision
 15 was made for the mode of appointing successors to said trustees, in case any of them should die, or be desirous of being discharged from the trusts; and further, that some of the said trustees having died, and some being desirous of being discharged from the trusts, others were nominated and appointed by instruments in writing in their stead, namely, Daniel Lester, John
 20 Ross, Alexander Gordon McIntosh and George M. Gunn, and it was intended and supposed that such writings were sufficient for the purpose according to the terms of the provisions in said Letters Patent; and that the said William Begg and John Birrell, two of the trustees originally named in the said Letters
 25 Patent, and the said Daniel Lester, John Ross, Alexander Gordon McIntosh and George M. Gunn, were the trustees from the twenty-first day of April, in the year of our Lord one thousand eight hundred and sixty-eight, and the said last-mentioned parties have acted as such trustees since that date without any objection on the part of any member of the congregation of said church; and also that a new church having been erected on a part of said land, it became necessary for the purpose of securing the debt of the said church to sell a portion of said land,
 30 and at a meeting of the congregation of said church duly held, the said trustees were directed to sell said lots numbers six, seven and eight, on the south side of Duke Street, or such parts as might be found expedient for the purpose aforesaid, and thereupon sales were made in accordance with the provisions of
 35 the Statutes in that respect, to private persons of portions of said last-mentioned lots, and such sales were sanctioned and confirmed by the Presbytery of London, in connection with the Canadian Presbyterian Church, under whose care such congre-

gation was placed, and conveyances were made and executed to the several parties purchasing said lots; and that doubts exist as to the validity of the appointments of the said Daniel Lester, John Ross, Alexander Gordon McIntosh and George M. Gunn, as trustees in the room of those originally named in said Letters Patent, who have died or desired to be relieved from such trusts, and as to their interests in and power over said lands; and it appearing that said trustees in making such sales and conveying to the several purchasers acted in good faith and for the benefit of the said congregation, and that they are desirous of having said sales and conveyances confirmed and declared valid and effectual to pass to the said purchasers an estate in fee simple in the said lots so sold and conveyed; and whereas it is expedient to grant the prayer of the said petition:

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Appointment of Trustees, and transfers of land made valid.

Gunn, as trustees in the room of those mentioned in the said Letters Patent who have died or desired to be relieved from such trusts be and the same is hereby declared to have been valid and the said land and all the estate and interest therein of the grantees named in the said Letters Patent is hereby declared to have been vested in fee simple in the said John Birrell, William Begg, Daniel Lester, John Ross, Alexander Gordon McIntosh and George M. Gunn, on the twenty-first day of April, in the year of our Lord, one thousand eight hundred and sixty-eight, for the purposes and uses and upon the trusts in said Letters Patent in as full and ample a manner as though the said John Birrell, William Begg, Daniel Lester, John Ross, Alexander Gordon McIntosh and George M. Gunn, had all been originally named in said Letters Patent as the grantees.

Certain conveyances declared valid.

2. All and every sale or sales, assurances and conveyances of every kind, made and completed before the passing of this Act between the said trustees and the several persons who purchased the same from the said trustees of portions of lots numbers six, seven and eight on the south side of Duke Street in the said City of London, and which were sanctioned and confirmed by the Presbytery of London in connection with the Canadian Presbyterian church shall, and the same are hereby declared valid and effectual to pass to the said several purchasers and the several heirs and assigns an estate in fee simple in the several portions of the said lots so sold and conveyed to them the said several purchasers, notwithstanding any question as to the validity of the appointment of the said trustees or any of them, or their interest in or power over said lands.

An Act to enable the Rector of Christ Church of Ottawa to sell or otherwise dispose of certain lands.

WHEREAS in the month of March, one thousand eight hundred and fifty-three, the congregation of Christ Church in the then Town of Bytown, which upon, from, and after the first day of January, one thousand eight hundred and fifty-five, became and now is the City of Ottawa, petitioned the Master-General and Board of Ordnance for a site on which to erect a church, to accommodate that portion of the population of the said Town belonging to the United Church of England and Ireland, as near to the centre of the Town as it might be possible to grant it; And whereas on the twenty-sixth day of June, one thousand eight hundred and fifty-five, the Rector and Churchwardens of Christ Church were, by the authorized officers of the Board of Ordnance, formally placed in possession, for the purpose aforesaid, of a block of land situated at the corner of Rideau and Sussex Streets in the said city; And whereas in consequence of the Ordnance Lands having been transferred to the Government of the late Province of Canada, application was made to the said Government for a deed of the said land, on behalf of the congregation of Christ Church, which was at that time and for many years afterwards the only organized congregation of the United Church of England and Ireland in the City of Ottawa, which application was, subject to a slight change in the boundaries of the land, made for the accommodation of the Government, acceded to by the issue of a deed of grant from the Crown, dated the fourteenth day of June, one thousand eight hundred and sixty, conveying to the Reverend John S. Lauder, Clerk, Incumbent of Christ Church in the City of Ottawa, in connection with the United Church of England and Ireland, and his successors, Incumbents of the said Church, heirs and assigns for ever, all that parcel or tract of land situate in the City of Ottawa, in the County of Carleton, containing by admeasurement thirty-eight thousand and seven hundred and fifty square feet, be the same more or less, being composed of a block of land on the west side of Sussex Street, in the late Ordnance Reserve, which is more particularly described in the said Patent, to have and to hold to the said the Reverend John S. Lauder, Incumbent as aforesaid, and to his successors as such Incumbents for ever, in trust as a site for a Church in connection with the United Church of England and Ireland, and for a school-house and parsonage or either in connection therewith; And whereas, in consequence of the great increase in the value of the said land for business purposes, and in the number of that portion of the population of the said city belonging to

Preamble.

the United Church of England and Ireland, which has taken place since the said land was so granted as aforesaid, and by reason of the division of the population belonging to the said church into three congregations or parishes, having each a separate church or place of worship, and the need which exists for a fourth congregation or parish, the Incumbent of Christ Church considers it advisable in the interests of that population generally and in accordance with the intention with which the said grant was made, that such a disposition should be made of the said lands as would adapt it to the present circumstances of the case, and has petitioned for authority to sell the same or any part thereof, and so to dispose of the same, or of the proceeds thereof, that all the members of the Church of England population within the limits of the City of Ottawa may receive their fair share thereof; and it is expedient to grant the prayer of the said petition :

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows :

Incumbent of Christ Church may sell certain land

1. It shall be lawful for the Incumbent of Christ Church in the City of Ottawa, and his successors, Incumbents of the said church, to sell, or otherwise dispose of the land mentioned, as referred to in the Preamble of this Act, or any part thereof, and for such prices and on such conditions as he or they may think advisable.

Application of proceeds of sale.

2. The proceeds of the sale or sales of the said lands shall be applied in the following manner, that is to say :

1. Twenty thousand dollars shall be given to the Rector and Churchwardens of Christ Church, to be applied in diminishing the debt of the said church, and in fencing and improving the Church and Rectory grounds, and buildings thereunto appertaining ;

2. Twenty thousand dollars shall be given to the Incumbent and Churchwardens of the Bishop's Chapel in the said city, or other proper authorities representing the congregation worshipping there, to be applied to the erection of a church in a situation more central and convenient for the said congregation : unless the said congregation should, at a vestry meeting thereof, within three months from the passing of this Act, decide to accept the chapel or building in which the congregation now worships and the ground on which it stands, instead of the said twenty thousand dollars, in which case the said Rector of Christ Church, or his successors as aforesaid, may convey the said building and land to the Incumbent and Churchwardens, or other proper authorities of the said chapel and congregation, in fee simple, for the use of the said congregation ;

3. Six thousand dollars shall be given to the Incumbent and Churchwardens of St. Alban's Church in the said city, to enable them to complete that church ;

4. The remainder of the fund shall be given to the Lord Bishop of Ontario, towards enabling him to erect a cathedral or church in the neighbourhood of Cartier Square in the said city.

Division of proceeds.

3. In making a division amongst the said respective parties, it shall not be necessary to convert any mortgages which may be given for balances of purchase money into cash, but the proceeds arising from sales, whether consisting of cash or mortgages, shall be divided fairly among all parties interested.
